

Kennedy All-Steel Tool Kits

MECHANICS, MACHINISTS, ELECTRICIANS, REPAIR MEN, ETC.

Mechanics' Kit

Mechanics' Kit with Tray

Machinists' Case

Electricians' Case

Kennedy Kits are made of prepared steel, but are no heavier than other bags and tool kits.

They are built to stand the wear and tear of hardest usage. Re-enforced throughout, fitted with brass side catches, strong two-tumbler Yale locks, steel leather-covered handles and riveted so that they cannot pull out. Protected by solid brass corner irons.

Finished in a three-coated baked enamel of brown or black, they present an appearance neat and attractive and look like leather traveling bags. Invisible hinges give smooth carrying surface.

Material, special construction and overlapping features make Kennedy Kits wearproof, waterproof and weatherproof. Kennedy Kits are also thief-proof, because they can be locked, chained and cannot be cut open.

Heavy material can be carried without buckling or changing shape of bag. Tray very handy for carrying drills, bits, screws, small parts, etc. Tray, 1 1/4 inches deep.

Double formed, double seamed, electrically welded and re-enforced.

MECHANICS' KITS

No.	Style	Dimensions, Inches			Net Wt. Lbs.	Price Each
		Length	Width	Height		
86696	XT	14	7	9	5 1/4	\$3.85

MACHINISTS' CASE

Style	Dimensions	Price Each
515	15 1/2" long x 7" wide x 12 1/2" high..... Inside dimensions— Till under lid.....15 3/4"x6 3/4"x2 3/4" Large deep drawer.....14 1/2"x6 1/2"x2 1/4" Large shallow drawer..14 1/2"x6 1/2"x1 1/4" Short deep drawer.....6 3/4"x6 1/2"x1 1/4" Short shallow drawer..6 3/4"x6 1/2"x 3/4"	\$14.00

Style	Dimensions	Price Each
518	18" long x 8" wide x 12 1/2" high..... Inside dimensions— Till under lid.....17 3/4"x7 3/4"x2 3/4" Long deep drawer.....17 3/4"x7 1/2"x2 1/4" Long shallow drawer..17 3/4"x7 1/2"x1 1/4" Short deep drawer.....8 3/4"x7 1/2"x1 1/4" Short shallow drawer..8 3/4"x7 1/2"x 3/4"	\$15.00

ELECTRICIANS' CASE

These cases are designed for and meet all the requirements of an electrician's tool kit. They have the necessary length, together with compactness and proper spacing. They have a divided spacing at one end for blowtorch and ledge rests at top of grip for tray to carry drills, bits, small parts, etc. Ample space at bottom for heavy tools, material, etc. In addition to leather handle, they are fitted with loops at each end for straps.

No.	Style	Dimensions, Inches			Wt. Lbs.	Price Each
